STATEMENT ON TRUMP WHITE HOUSE VICTORY AGAINST THE ASSOCIATED PRESS

February 24, 2025

“As we have said from the beginning, asking the President of the United States questions in the Oval Office and aboard Air Force One is a privilege granted to journalists, not a legal right. We stand by our decision to hold the Fake News accountable for their lies, and President Trump will continue to grant an unprecedented level of access to the press. This is the most transparent Administration in history.”
