**We are here to fight against the
fascism that has taken root in
America.**

The Republican party, MAGA, Trump, and Musk are
imbeciles who are drunk on power and get off on
trampling down others. The American people are
suffering for it.

The World is suffering for it.

These are some of The Worst people on the planet, hell
bent on destroying it and everyone on it.

They lack morals, empathy, common decency, and any
sense that we are a community.

They are not kings. They do not speak for the people.
They will be removed.

We are Anonymous.
We are Legion.
We do not forgive.
We do not forget.
Expect us.
