**This is an Anonymous operation
to stop the fascism that has
infected the GOP.**

In the sidebar are links to the groups and people who
are enabling this.

We need to disrupt these groups... call them out for
their hatred, their fascism, their ignorance.

This is a call for all of us to take up digital disruption
and physical protest.

"Capitalism is the extraordinary belief that the nastiest
of men for the nastiest of motives will somehow work
together for the benefit of all." -J.M. Keynes
